

Our Driving and Team Building Day encourages you, your colleagues and your clients to work together in the achievement of mutual goals.

Overview

G4S Specialist Training's Driving and Team Building Day has been created to give delegates a unique team building experience through stimulating, challenging and enjoyable activities, which will also allow them to learn potentially life-saving driving skills.

By recognising threats to their safety whilst they are driving, delegates will learn how to avoid accidents and react positively to potentially hazardous situations as they unfold around them.

Syllabus

Morning session:

- Safety brief and introduction
- Progressive and high speed driving
- Handling sweeping and sharp bends
- Emergency braking with an ABS system
- Slalom driving skills
- Multi-surface driving
- Hazard awareness and crash avoidance

Afternoon session:

- Close proximity driving
- Formation and slalom driving
- Defensive driving
- High speed reverse and j-turns
- Vehicle ramming techniques
- Hostile incident evasion drills

Staff and facilities

The day takes place at our training facility near Pershore, Worcestershire. The site is a former airfield with a 2.5 mile driving track, innovative hostile environment street scene and vehicle crash area.

Our training team are highly experienced former members of the military and police who have an unrivalled blend of instructional experience backed by recognised civilian teaching qualifications.

Course dates and prices

Available on request.

Maximum course capacity is 12 delegates. Buffet lunch and refreshments are included.

Our background

G4S Risk Management is the leader in providing risk mitigation, secure support services and integrated solutions to governments, international agencies, small to medium enterprises and multi-national corporations, wherever they may operate.
